New Business

- **Gifts to Missionaries** Sandy discussed the possible benefits of sending cash, over items. Kevin, suggested that there may be items that are unattainable to missionaries. Bimi may be a good resource to determine what can and cannot be sent.
 - **Prayer for Missionaries** Kevin suggested that we dedicate time for each missionary at the closes of our meetings.
 - **Missionary Info Cards** | Bill agreed to draft info cards for each of our missionaries and
-

post them to the missions board.

- **Missions Events** We would like to discuss the possibility of a missions conference with Pastor Barbour.
- **Adopt a Missionary** ideas? We discussed that this should be done per family, but more thought is needed for how long an "adoption" should last and how to execute. Perhaps, Missionary of the Month. Kevin also suggested that we focus the missions moment on that missionary.
- **Missions Trip** Consensus was that the first missions trip should be to Maine. We will asses details after speaking with Pastors Bell and Kelly.
- **Assigned Points of Contact for each of our sponsored missionaries** In an effort to strengthen our connection with our missionaries we determined that each each missionary family should have a point of contact in Berea.
